

Application Guidelines 2027

MSc Speech and Language Therapy

September 2027 entry

Application Guidelines 2027

How do I apply?

Please read the following guidance in its entirety before completing your application through the online postgraduate application system (OPAS).

When should I apply?

Applications open on 21st September 2026 for all applicants. **When applying you must provide your full official name as specified in your passport or birth certificate.**

	<u>UK / EU / EEA / INTERNATIONAL APPLICANTS</u>
APPLICATION DEADLINE*	4pm (GMT) on 13th November 2026. Applications that show on our system as being received after this deadline will be classed as late.
Late applications (received after 2nd November 2025).	Applications may remain open after 13th November 2026, however we cannot guarantee that places will be available. If you apply after the deadline please be aware that your application could be withdrawn at any stage.
Applicants notified *	If you apply by the application deadline of 13th November 2026, we aim to contact you week commencing by the end of November. Applications must meet our entry requirements and supply a complete application that must include: • Evidence of degree (this includes pending) and official GCSE certificates or equivalent overseas qualifications (not provisional documents or statements or results). We do NOT accept functional skills. • Personal Statement • Reference Incomplete applications will not be processed and will be withdrawn if we do not receive the documents outstanding.

*** Applications that meet the criteria will be considered. Late applications made after 13th November 2026 may be considered if places are still available on the course. Please read the guidelines in full to ensure you have a complete application as any applications that are not complete will not be considered and withdrawn.**

To be shortlisted for interview, only applications made that meet the entry requirements, have all required information and at least one reference provided will be considered for interview in the first instance.

All decision and correspondence will be communicated to you by email. **Please ensure you add**

the following email addresses to your contacts list to ensure you receive this:

health@citystgeorges.ac.uk

What documents should I provide with my application?

You must provide the following documents:

1. your current and/or previous academic record along with official certificates GCSEs or equivalent qualifications. **We do NOT accept functional skills.**
2. one academic reference
3. a written personal statement

An application must be submitted on or before of 13th November 2026 to be classed as on time. If your application is incomplete, meaning we have not received the documents above at the time of submission, you will be notified via email and given a deadline to submit all outstanding documents. This deadline will be contained in the aforementioned email.

If any of these parts are still outstanding by the deadlines outlined above then we will not be able to assess your application and it will be withdrawn.

1) Academic Record

Qualifications and experience

Please ensure you include your first degree subject, classification and awarding University, your A level results (or equivalent) and details of any other higher academic qualifications. If you have more qualifications than the spaces provided, then please only put your degree, A levels and GCSEs (or equivalent).

Transcripts, GCSEs and degree certificates are **required** at the application stage. Please upload these when requested in the online application.

If you are in your final year of study please upload transcripts of your results to date and ensure your academic referees confirm your predicted classification. **We do not accept print screens or unofficial transcripts.**

High School/highest pre-university study

In order to provide us with your full subject and grades please enter your A Level subjects and results in one box on the application form, rather than include a separate entry for each subject.

For example:

Qualification 2	
Subject/major	A Level - Biology Art Geography - BBB
University	A School or College
Country	United Kingdom ▼
Award	Other ▼
Mark scheme	Please select ▼

English language qualifications

You will need an IELTS if you meet the following criteria:

- Your degree is not from the UK or a majority English speaking country. More information about what is classed as a majority English speaking country can be found here: <https://www.gov.uk/student-visa/knowledge-of-english>

OR

- You are not a UK citizen with a UK passport and do not hold a GCSE English Language certificate grade C/ 4 or above that has been achieved within the last 5 years

You will have to provide documentary evidence of proficiency through the IELTS academic test at the point of application. Only tests taken **within the past two years of the start of the course (latest July 2025)** can be considered. Please upload your test report form and complete this section to include the IELTS Test Report Form Number.

If you do not provide a suitable IELTS with your application, or your IELTS does not meet the entry requirements, your application will be withdrawn.

2) Reference

Your application number can be found in the email from application-confirmation@citystgeorges.ac.uk – check your junk mail if this is not in your main inbox.

We ask that you provide one academic reference. If you have been out of education for a while and this is not possible then we will accept a professional reference instead. It is **your** responsibility to ensure you have notified your referee you are applying for this course and request they provide a reference on your behalf.

PLEASE NOTE: You will need to submit your application first- the application number will be sent to you in an email advising you that we have received your application. This number is the number you will need to advise your referee to use.

At application stage we require one reference to progress an application.

Although you will be asked to provide details of your referees within the application it is your responsibility to follow the below instructions. The application form states that it is mandatory to provide two references so you must fill out the details of two referees, however we only need to have **received** one reference at application stage to progress your application to the next stage, interview stage. When we receive the reference, you will be notified.

If you wish to change your referee, you do not need to notify us, you can just give the new referee the link to complete.

Please send your referee the reference form link, which is available under the *how to apply* section at <https://www.citystgeorges.ac.uk/courses/postgraduate/speech-and-language-therapy>

If you're unable to provide an academic reference, we will accept a professional reference that meets the guidelines on the form itself.

Through OPAS you will be able to see if your application has been submitted. Once we receive your reference we will log it onto our database.

3) Personal Statement

Please use the following naming convention for the filename: Firstname_Lastname_Personal Statement.

Your personal statement should address the following:

- Please indicate any relevant experience that you have such as preparatory courses, workshops, open days, voluntary work, observation etc.
- Please describe what you have gained from any relevant experience in terms of insight into the needs of people with communication disabilities and into the skills required by a speech and language therapist. You may also wish to reflect on your own response to any direct experience you have had of disability.
- Please indicate whether you have a working ability in any language other than English, including British Sign Language (state whether you have completed Stages 1 and 2).

Please ensure your personal statement is no more than 750 words.

You should upload this document in the Personal statement section.

Am I eligible for funding?

Funding for the MSc SLT course is available via the student loan system. **Please contact them directly if you have any queries about this bursary.**

Further information

The NHS sets criteria for assessing eligibility:

<https://www.nhsbsa.nhs.uk/nhs-bursary-students>

How will I know if you have received all my documents?

Once your application is complete you will be able to track your application status by using the login portal contained in the email from application-confirmation@citystgeorges.ac.uk. You will have received this email when you created your account so if you cannot find it check your junk mail. Applications are checked once a week so please be patient once you have submitted your application.

We will email you directly concerning any documents that are outstanding, along with a deadline by which you will need to provide the documents. Applicants that do not provide the required documents will be withdrawn. Any notification of our decision will be made through email so please ensure you add our contact email addresses to your safe senders list or address book.

How will I know if I have been invited for interview?

Applications will be reviewed regularly and you are encouraged to apply before the application 'on time' deadline.

All completed applications that are shortlisted for interview will be informed via email health@citystgeorges.ac.uk. If you receive an invitation to interview we will provide you with further details of the interview process; details can also be found here: <https://www.citystgeorges.ac.uk/about/schools/health-sciences/about/selection-process#accordion633356-header633401>

After interview, we aim to notify you of our decision within two weeks of attending. Our decision will be communicated to you by email. **Please ensure you add the following email**

addresses to your contacts list to ensure you receive this: health@citystgeorges.ac.uk

In the event of any technical difficulties

If you begin an application and forget your user name, password or security questions for the online application system, please contact the IT Service Desk by phoning 020 7040 8181.

Application enquiries

If you have an enquiry or are have questions about the online application process or admissions enquiries please e-mail health@citystgeorges.ac.uk.
